Cooking Features

Smart Finish

Synchronizes basket settings to time two different items to finish together, allowing them to be served hot even with varying cooking times.

Basket Shake

Provides a reminder halfway through to mix, ensuring all ingredients cook evenly.

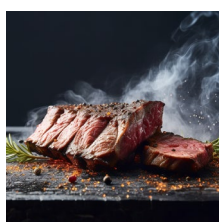

Basket Sync

Allows both baskets to operate at the same temperature and time in one step, eliminating the need for separate settings.

Dehydrate

Creates healthy, preservative-free snacks by removing moisture from fruits, vegetables, and meats, resulting in intense flavor and a long shelf life.

+3 Minutes

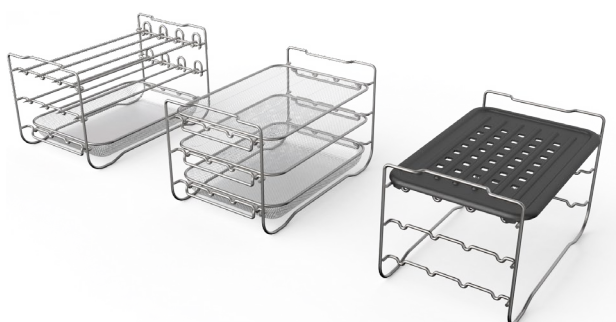

Easily adds 3 minutes to cooking time with a single touch when needed, without the need to restart or reprogram the appliance.

Defrost

Quickly and safely thaws ingredients, preserving texture and flavor for optimal cooking results.

Accessories

All purpose usage

The multipurpose rack system is designed for efficient, multi-level cooking. The removable trays and ergonomic handle make it easy to manage hot dishes and rearrange them safely.
